

111 Pine Oak

Description: This beautiful properties has a spacious 5.6 acres. It has that secluded country feel, yet sits close to town. So many extras with this one including a paved driveway, sprinkler system, landscaped yard, and a major plus is the finished out workshop out back with an included lean-to for more storage space. There are 3 additional storage bays for use with all the recreational equipment you will use on the land!The 2-story home itself has an open floor plan with the eat-in kitchen open to the living room. There is a separate formal dining room. The extra room in the home could be an office or a small bedroom. The high ceilings in the home creates vertical space which really opens up the floor plan. The Master bed and bath are located on the ground floor. The home has varied floor surfaces with a mixture of laminate, tile and carpet. Just outside you will find a large deck overlooking the backyard and an above-ground pool. Perfect for relaxing or
