

Antebellum Estate, Endless Possibilities

Description: This grandiose home in East Jesup offers a stately presence with its larger-than-life columns and Antebellum southern style. In typical southern fashion, this home is dressed to the nines with large crown molding throughout and a reminiscent punch tin crown molding in the dining area. The high ceilings give vertical depth and spaciousness throughout the home. The open-air foyer gives a formal welcome with stairs winding up to the second floor sitting area and spacious bedrooms on either side. While this home only has three bedrooms, with the Master suite downstairs, the bonus room located above the attached garage could serve as a fourth bedroom or guest suite. The eat-in kitchen is a statement in itself with white cabinetry and tile countertops offering a stark contrast to the deep red walls. Outside brings just as much grandeur as the inside of the home. The backyard is exquisite and inclusive of an inviting saltwater pool with
