

**Description:** Built in 2020, this one-bedroom home sits on a 3/4 acre lot with a shallow well, septic, and it's only minutes from town. The design of the kitchen opens to the living giving the space an openness along with the white cabinetry. The rooms are divided by the kitchen island which also provides seating. The living and bedroom have vaulted ceilings which further provide airiness and vertical interest. A barn door opens to the bathroom. There is a dedicated space for a washer and dryer. Luxury vinyl plank adorns the floors throughout. The back porch offers a place to relax after a long day. The home has two PTAC single zone ACs. Bonuses include a metal roof and a single carport.
